

Here are some client letters that we have recently received.

To Gary & the Acorn team

Louise & I just wanted to say that we are absolutely delighted with the superb quality windows you have provided. Additionally the service and advice which Gary has given has been second to none and was the deciding factor, in our decision to purchase from Acorn. Other companies did not listen to us and tried to pressure us into a decision. Gary was impartial, professional, friendly and honest.

Thank you so much  
Mark & Louise Lawson

Dear Gary

I write with regard to the installation of new windows to my property, recently in August.

The windows look fantastic and I am very pleased with the final result; I'm sure it has added value to the property. The professionalism from the fitters was very well received, so please pass on my thanks.

Having heard several horror stories from friends and colleagues on their experiences with other window firms, I was a little apprehensive. But with this level of quality and such a competitive quote, I was pleasantly surprised.

Once again thank you for the excellent service

Yours sincerely

Neil Kelly
